SEE PURPOSE

CENTER FOR ADDICTION TREATMENT

SEEPURPOSETREATMENT.COM

ABOUT SEE PURPOSE

SEE Purpose was established because of an increased demand by families in Indiana to create more high-quality addiction treatment services. We offer a luxury setting for individuals to start their recovery journey and establish a solid foundation of hope, strength, and support.

A UNIQUE APPROACH

SEE Purpose is built on the philosophy that people deserve a choice in their path to recovery with guidance and encouragement from our professional staff. We know that by supporting the client's power to make choices, they can and will live a successful life in recovery from alcohol and other substances.

The revolving door of treatment stops here!

SERVICES

SEE Purpose Treatment Center offers detoxification, residential inpatient, and aftercare planning, in order to provide effective substance abuse treatment to the citizens of Indiana. Through our unique approach, clients at SEE Purpose will truly experience personalized treatment for drug & alcohol abuse. Our services aim to treat the core issues that lead to continued use and relapse. Here at SEE Purpose, your lasting recovery is our primary objective.
